

DESCENDANT PAST TRILOGY - PART 1: JOURNEY TO WAR

Genre: Supernatural Action

Time shifting is a bitch...

Logline: When two college kids are sucked back to 1643, the historian must find and send her rebel boyfriend back to preserve the outcome of the impending British civil war, and the future.

“JOURNEY TO WAR” starts in the present Star Chamber in Westminster Palace when Mercedes, a British history major, disappears. She lands in 1643, where her Dover ancestors enlist her aid in a civil war against the Royalists. Little do they know her boyfriend has followed and met his ancestor, Allomar, the High Lord of the Star Chamber and fiercely loyal to the crown.

By her knowledge of what is to come, everyone believes Mercedes is a seer like her ancestress. With Dover, Mercedes' helps gather forces on their way to London. While drunk with the power given by his grandfather, Richard demoralizes Parliamentary estates and the Lords enroute to London with an explosive surprise from the future.

Only Mercedes can trap Richard so her ancestress can send him back before he changes the ebb and flow of the war, and ensure there is a future to go home to.

A Dr. Who meets The Star Chamber “JOURNEY TO WAR” about one family’s fictional account that blends with history on how the 1643 British Civil War came about.
